

Christopher Kelly, President & CEO

Christopher L. Kelly is the President and CEO of Cosmopolitan Capital Funding, LLC, responsible for the operations and management of the company and reports to the Board. Mr. Kelly has specialized in mortgage banking for over 30 years. During his career, he has acquired experience in effectively all aspects of the mortgage banking business.

Beginning in 1981 with Manufactures Hanover Financial Services, Mr. Kelly began as an Insurance Accountant and gained knowledge in Secondary Marketing, Credit Administration, and started the company's first Foreclosure/REO Unit.

After the company was sold in 1988, Mr. Kelly went to Commercial Credit where he centralized their foreclosure and REO activities. Later, he was promoted to run their residential mortgage acquisition group.

In 1994, Mr. Kelly joined Equity One where he established and built a successful Wholesale Lending Division consisting of 12 production offices, 3 regional processing centers, 7 Regional Managers, 52 Account Managers and over 100 employees operating in 34 states. The division also included an Asset Acquisition department.

In 2003, Mr. Kelly joined Wilmington Finance, a major mortgage lender, where he held several progressively senior management roles culminating in the role of Chief Operating Officer and Board Member. In that role, he led several functional disciplines including Operations, Branch Administration, Collateral/Custodial, Document Control, Facilities, Funding, Loan Servicing, Risk Management and Website Client Care.

After Wilmington Finance closed in 2010, Mr. Kelly started an insurance agency business with members of Witmer Partners that has provided insurance services to mortgage loan servicers and other entities.

Mr. Kelly holds a B.S.B.A. in Accounting from Shippensburg University.
