

Dean Wantland – Senior Vice President, Chief Compliance Officer

Mr. Wantland is responsible for all underwriting and regulatory compliance issues under FHA/HUD and Ginnie Mae. He is also responsible for all loan closing activities and loan servicing operations for Cosmopolitan. Mr. Wantland has over 25 years' experience with agency multifamily and healthcare loan programs.

While Mr. Wantland has significant expertise in the area of compliance and quality control, his experience covers the full range of FHA business functions including origination, underwriting, closing, and secondary marketing activities, as well as construction and permanent loan servicing.

Mr. Wantland has extensive knowledge and experience with various agency programs, including FHA/HUD's multifamily (MAP) and healthcare (LEAN) mortgage insurance programs, Fannie Mae, Freddie Mac, and Ginnie Mae. Mr. Wantland received his B.S., Business Administration from Creighton University and has completed a portion of the curriculum towards a Juris Doctorate degree from St. Louis University's School of Law. He actively participates in various industry groups and maintains an ongoing and open dialogue with FHA officials.
